

Instructions

Air Cleaner Insert For Screamin' Eagle Ventilator

NOTE

BQUAZY recommends installation be done by qualified individuals.

Models

These Kits are designed to fit the Screamin' Eagle Ventilator Air Cleaner that fit models:

09 & up Touring

11 & up CVO Softail ~ 10 & up Dyna & Softail

Kit Contents

1 - Trim Insert for Air Cleaner Cover

2 - 10-24 Flat Head Cap Screws

1. Remove stock trim panel. See Figure 1.
2. Install new insert & screws.

We recommend using Blue Loctite® on the screws to help keep them secure.
