

# Instructions

## M8 Timer Cover

### NOTE

*BQUAZY recommends installation be done by qualified individuals.*

### Models

This Kit is designed to fit 2017 - later Milwaukee Eight Engines.

### Kit Contents

1 - Timer Cover

2 - 8-32 Socket Head Cap Screws

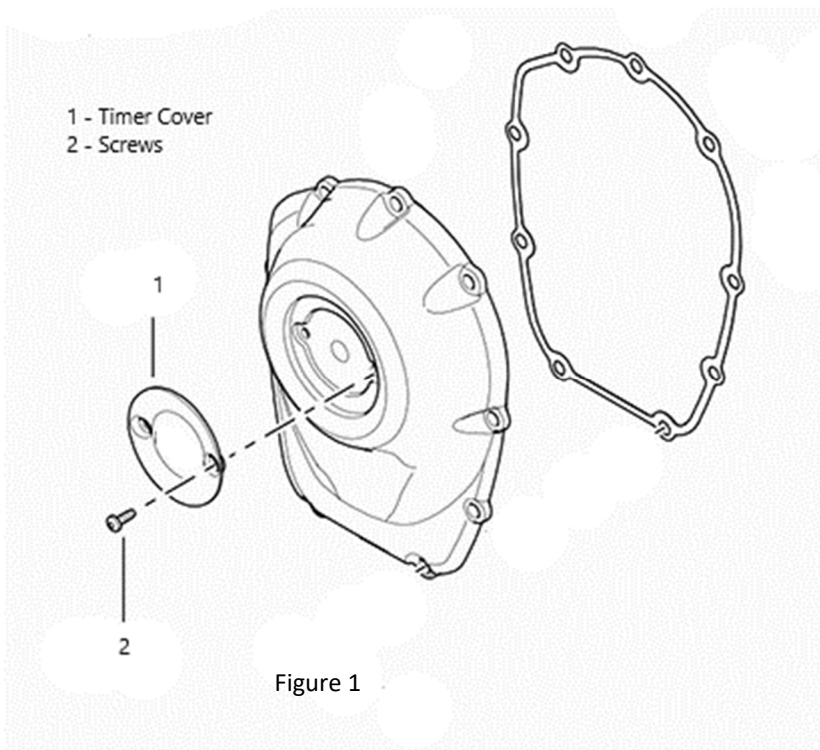

Figure 1

1. Remove stock timer cover. See Figure 1
2. Install new cover & screws.
3. *We recommend using Blue Loctite® on the screws to help keep them secure.*
